REFERENCE

Over the last few years, TRANSPORTCONSULT has been consulting MEGA TRUCKING BULGARIA EOOD in all contacts with the Ministry of Transport and Road Transport Administration Executive Agency: in connection with controlling, licensing, and permit regimes. We also rely on them for the proper regulation of relations with driving personnel and subcontractors.

For us, TRANSPORTCONSULT is not merely a consultant, but an equal rightful partner with whom we are successfully advancing our business.

**Manager of MEGA TRUCKING BULGARIA EOOD:
Ivan Inkov**
